

Dear Pre-K Parents,

My name is Melinda Roe, and I am so excited to be your child's Pre-K teacher at Faith Tutorial. I am a certified teacher who taught public school for ten years. I took a break from full time teaching in 2007 when my son Max was born. He attended Faith for Preschool, Kindergarten, and 1st grade. The Tutorial has been such a blessing to me as a parent that I felt God leading me to pursue teaching here. At Faith, I started out as a substitute teacher in 2012, and the following year I taught 4th-6th grade English and had a terrific experience. However, my passion has always been teaching literacy to young people. I love to help equip children with the pre-reading, language, and phonics skills necessary to become fluent readers. When this preschool position became available, it felt like a natural fit. I love working in Pre-K. I am continually re-evaluating my lesson plans in order to help make your child's first year of school a positive one.

A few other facts about me:

I was very blessed to be raised in a Christian home. My father is a Southern Baptist minister. I became a Christian at the age of 6.

I have a B.S. from Lambuth University in Exceptional Learning , where I played basketball and met my future husband.

I have been happily married to my husband, Don since 1997. He is Head of School at the University School of Jackson.

I am a member of First Baptist Medina where I am very active in the preschool and children's ministries.

If you have any questions or concerns, don't hesitate to contact me at melindaroe@att.net.

Thanks for entrusting me with your precious child!

Melinda Roe
