Required Math Curriculum

1. Math-U-See *ALPHA Instruction Manual**
2. Math-U-See *ALPHA Student Workbook**
3. Math-U-See *ALPHA Test Booklet**

**You may purchase these required items from various sources but if you visit the Math-U-See website and purchase them new, you will want to follow the prompts below to get to the correct option:*

Visit mathusee.com, Click on Products, Click on Math-U-See Curriculum, Click on Alpha option

Once on that page, scroll down to the green-colored banner labeled Alpha Products and you'll see 5 options in that green-colored banner. There you will see the option to click on the **Instruction Manual** and **Student Workbook and Tests** tabs.

4. To supplement our math curriculum at home, please purchase a workbook that covers a variety of math skills including: time, money, measurements, etc. You may choose any brand you prefer, but we recommend *Spectrum Math 1*.

Required Science Curriculum

Abeka *Discovering God's World* #197548
